# WHAT IS A.A. ?

Alcoholics Anonymous is a fellowship of men and women who share their experience, strength and hope with each other that they may solve their common problem and help others to recover from alcoholism.

The only requirement for membership is a desire to stop drinking. There are no dues or fees for A.A. membership; we are self-supporting through our own contributions. A.A. is not allied with any sect, denomination, politics, organization or institution; does not wish to engage in any controversy, neither endorses nor opposes any causes. Our primary purpose is to stay sober and help other alcoholics to achieve sobriety.

## THE AA GROUP

A.A. works primarily through local groups and each group is independent. These groups meet at specific locations and times in a friendly get-together for the purpose of discussing the problems of Alcoholism and how to overcome these problems. These meetings provide fellowship, friendship, and understanding.

In addition to Group meetings, AA Groups have established a "CENTRAL OFFICE." The INTERGROUP OFFICE is supported only by contributions of member groups and by individual members of AA.

## THE CLUB

*(Erroneously called an "A.A. Club")*

Although Clubs are frequently formed by members of A.A., a typical Club is a private social club with rules, regulations and bylaws, usually controlled by a nonprofit corporation, and as such, elect whatever officers are necessary to run the Club. Income to sustain the Club is derived from collecting dues from *members* and collecting rent from *A.A. Groups*. Money collected in 7th Tradition baskets at A.A. Meetings held at a Club belongs to the A.A. Group.

Each A.A. Group ought to be self-supporting through its own contributions, therefore it pays rent to the Club for the meeting space, coffee, etc. A Club has no opinion in matters of how any A.A. Group is run, although any Club member may join a Group as an individual, then express an opinion at an A.A. Group's business meeting.
