Is it summer yet? Don't forget the Founder's Day picnic on June 12. And Moorestown Men's anniversary is June 17 at the 25 Club in Maple Shade (sorry I will be at my home group's anniversary instead of Intergroup this month). Brian and I spoke at the service workshop put on by Section 1 of Area 45 on June 6 in Trenton. We discussed the various committees in SJIG, what they do and why they are an important part of the service structure of AA. We also contemplated the importance of PowerPoint for such presentations (not really needed).

COMMITTEE REPORT

Ans. Service Chair: Lisa S. Co-Chair: Tom C

answeringservice@aaaj.org

36 shifts reported their call totals for May, and that totaled 222 calls taken by volunteers. We request that all volunteers continue to send in their monthly totals! As usual, volunteers that cannot cover their shift should notify us, so we can try and have it covered by a "real AA" rather than by Answercomm.

Answercomm reported taking 70 calls. This number is up slightly from the 55 calls taken by Answercomm in March. Thank you to everyone who helped us fill shifts. We will continue to work to keep this number lower.

Currently we have ONE open shifts: Wednesday overnight 8pm-10pm. We also continue to take name for our waiting list, and are still taking volunteers to sign up to be available for a 12 Step call, so please have interested volunteers continue to contact us via answeringservice@aaaj.org.

Finally, we are looking for replacements for Chair and Co-chair at the end of 2015. We feel it is best to begin this recruitment process now, so that interested AAs, can get training early in the process and make the transition as smooth as possible. Please have interested volunteers contact us for more information on what we do, and how we do it! If any phone service related issues are identified feel free to call us for assistance anytime.

Dear Intergroup: Summer is here and thanks to the magic of laptops and tablets, our contributors can send in pieces for our Newsletter from the beach! (Sans the "sand", please!). We are working on a series of tight summer deadlines (due to vacation schedules) so please, if you have items to contribute for the summer, "early, early, early" is the key. Here are the deadlines: 6/12 for the July issue; 7/6 for the August issue; 8/7 for the September issue.

Our July issue is shaping up nicely, with early submissions from Derrick L. and Kelly B. Don't forget to bring the Newsletter to the beach with you!

We are starting to canvas for people to take over the Newsletter come January 1st 2016. We would love to hear from all who are interested. Keep in mind that our production person is staying on, so all the new people have to do is write from the comfort of their home. Our usual contributors (myself included) will continue to send in content and support. Thanks to all. Marty P.
